Man Charged with Burglarizing Long Beach Church

A 26-year-old man was charged today with stealing from a Long Beach church on two separate occasions within a week, the Los Angeles County District Attorney's Office announced.

Trevor Fix (dob 6/5/90) of Long Beach has been charged with three felony counts in case NA104771: two counts of burglary and one count of identity theft.

The defendant is scheduled to be arraigned today in Department S01 at the Los Angeles County Superior Court, Long Beach Branch. Prosecutors will ask that bail be set at \$40,000.

Prosecutors said on Aug. 6 the defendant allegedly broke into the preschool at Lakewood Village Community Church in Long Beach and stole several electronic items.

Four days later, the church experienced a second break-in. Prosecutors said Fix reportedly stole cash, checks, a credit card and more electronics from the Long Beach church.

Soon after the second robbery, the owner of the stolen credit card notified police that the card had been used at a store.

The defendant was subsequently arrested on Aug. 10.

If convicted as charged, Fix faces a maximum possible sentence of four years and six months in county jail.

The case is being investigated by the Long Beach Police Department.
